

iBIO[®]

**2023 SPONSORSHIP
PROSPECTUS**

YOUR CONNECTION TO THE BIOSCIENCES INDUSTRY

Through our events, innovation programs, and communications channels, we work to advance Illinois leadership in the industry while providing premier opportunities for our members to showcase their transformational organizations.

Inside of this document is an overview of iBIO's 2023 sponsorship opportunities to help you access and engage with the leading life sciences cluster in the world. To learn more about specific offerings, please contact the associated individual highlighted in each section.

DIGITAL OPPORTUNITIES

IBIO CONNECT

Launching in January 2023, iBIO-Connect brings the network of resources and organizations in iBIO's biosciences ecosystem into a single platform for entrepreneurs, investors, academics, and anyone else looking to get connected.

PREMIUM - \$50/MONTH

Listing in the service provider directory, designed for potential clients to find your business based on your products and services quickly. Your business will be shown with an exclusive badge across the site.

PROFESSIONAL - \$150/MONTH

In addition to the perks from the Premium package, your business will receive high-visibility search results across all Hub-listed businesses and within the service provider directory.

PLATINUM - \$300/MONTH

The Platinum sponsorship comes with all perks from the Professional & Premium tiers, in addition to logo placement on iBIO-Connect main page and unique service provider lists.

Minimum 12 month commitment required

IBIO DAILY NEWS BRIEF

iBIO's Daily Newsletter connects with thousands of biosciences professionals located in Illinois and the broader US biosciences community. Sponsoring the Daily NewsBrief is a powerful way to gain industry exposure.

PREMIUM - \$100/MONTH

Sponsorship of the NewsBrief provides weekly placement of either thought leadership pieces, news or banners.

Minimum 12 month commitment required

PREMIER EVENTS

PREMIER EVENTS

iBIO's Premier Community Events bring together the most inspiring voices in the life sciences, industry leaders, and ecosystem movers to strengthen the life sciences and build a better future for patients around the world.

BIOSCIENCES SHOWCASE - JUNE 2023

Highlighting Illinois most promising life science startups and industry strategic partners, the Illinois Life Sciences Showcase offers exclusive opportunities to network with other companies, investors and strategics and is the one-stop shop for innovation in the region.

BIOSCIENCES REAL ESTATE FORUM - JULY 2023

Showcasing Illinois booming biosciences real estate market. Highlighting key trends and issues for biosciences facilities and wet lab space. Hear from leading developers, real estate firms, corporate facility managers and construction firms.

ICON COMMUNITY AWARDS - OCTOBER 2023

The iCON Awards celebrate the accomplishments of outstanding innovators and leaders whose work provides the basis for biosciences developments worldwide.

POLICY EVENTS

ADVOCACY EVENTS

iBIO's Advocacy Events provide a forum for the industry to connect and educate policymakers in DC and Springfield on the key issues for the biosciences ecosystem.

ILLINOIS RARE DISEASE DAY - \$2,500

Join in the planning and support Rare Disease Day in Springfield. Sponsorship provides funding for programming and a dinner with rare disease patients and advocates.

WASHINGTON DC FLY-IN - \$2,500/\$5,000

Join iBIO in Washington DC for one of our DC-Flyin events. Sponsorship of the event provides underwriting for startup companies to participate in the fly-in as well as underwrites a reception for the attendees and our elected officials and staff.

INDUSTRY ROUNDTABLES/BRIEFINGS

Industry roundtables and briefings are a perfect way to connect with policymakers about critical issues to the community and innovation. Format for these programs can be flexible and can be hosted in Springfield, Washington DC or in district.
